## Get **BIG VALUE IN** Builders Association **MEMBERSHIP**

[\*\*BAMN.ORG\*\*](http://BAMN.ORG)

Since 1974, BAM represents you and your business at the State's Capitol, regulatory agencies and courts because industry unity and doing business with members is good business©.

## For your business and your bottom line

Builders Association membership is a three-for-the-price-of-one deal.

You join at the your [local association](#) where you can build your professional network. You get education, events, leadership opportunities, and good fun with your local peers. [NAHB](#) is your national association.

And, at the state level – your membership with the [Builders Association of Minnesota](#) (BAM) is where all local associations come together to unify our voices at the State Capitol, before State regulatory agencies and in the courts.

BAM exists to bring the statewide home building industry together and to help you be the best you can as a home building professional.

We provide serious protection in the Legislature, regulatory agencies, and the courts AND there are some sweet perks that come with builders association membership.

Check out our **Top 10 List** and make sure you're getting the most from your membership!

**Drum roll please...**

# Reasons It's Good To Be A MEMBER

## Number 10.

### LEGISLATIVE SUCCESS

Every year the government tries to change the way you do business. That's where BAM comes in – we're at the State Capitol and have been for over 40 years. Together we are 2,000 member businesses strong and together we've successfully fought countless harmful bills over the years.

BAM members meet year round to decide what to fight and what to promote for your business and the state home building industry.

[\[2016 Legislative Summary\]](#)

## Number 9.

### CODE SOLUTIONS

Every three to six years the government gives us a new building code. Thankfully, BAM combs through the proposed codes and fights for safe, durable, and affordable housing.

Your BAM membership buys you a seat at the table, code advice, and member guides on what to do when the new code comes out.

We're fighting for you and we're good too.

## Number 8.

### LEGAL PROTECTION & RESULTS

Contracts and court decisions impact your business. Just one decision can radically change your insurance rates, for example, or flip the home warranty. Enter BAM. As a member, we've got your back.

BAM has standard contracts and a legal fund to fight member battles that impact the statewide industry. Members make decisions about which cases to take on, and we have a darn good track record.

## Number 6. QUALITY, AFFORDABLE INSURANCE

Are you covered? The residential construction industry requires special insurance. And as a BAM member you have access to high quality coverage through The Builders Group (TBG) for all your workers' compensation needs.

[\[Your Insurance Deals Here\]](#)

## Number 5. CONTRACTS

BAM provides members only with **top-notch contract templates** drafted by attorneys that specialize in residential construction and comply with state law. Updated when the law changes, these contracts are available for download in Word and PDF formats and are worth over \$10,000! That pays for membership for years to come! [\[Login or Join To Access!\]](#)

## Number 4. CODE GUIDES

When the government puts out a new code, they don't tell you how to build to it, but BAM does. For members only, we put together detailed code guides – written by experts – so you know exactly how to build to the new code. **This is one of our most popular resources.**

[\[Code Guides – Join or Login to Access these Amazing Guides\]](#)

# BAM Membership Means Leadership

As a member you are choosing to be a leader in the home building industry. Membership means you care about your business, your customers, and your industry. That's a lot of love!

## Number 3. INFORMATION, THE 411, THE SKINNY

BAM membership also means information. We make sure you're in the know about what's happening in the industry, at the Capitol and right here at BAM. We're tweeting, blogging, posting on Facebook, emailing, writing white papers, and more.

[\[Facebook\]](#)

[\[Twitter\]](#)

[\[Email List\]](#)

[\[BAM Blog\]](#)

## Number 2. GET IN ON THE ACTION

Membership means getting in on it. You get:

**Influence.** Make decisions about real policies affecting your business.

**Leadership Development.** Making decisions for 2,000 members businesses takes leadership and we want YOU!

**Political Education.** At the Capitol it's not a drill – it's the real deal. Come to the Capitol with BAM literally and by following along!

**Networking.** Grow your business and professional network with sponsorship and attending BAM events! [\[BAM Events Schedule\]](#)

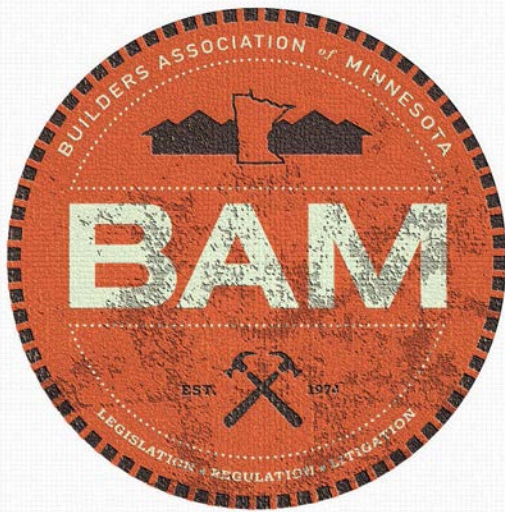

## And the Number 1 Reason It's Good to Be A Builders Association Member is UNITY

Membership means being part of the collective voice for the industry at the State Capitol, regulatory agencies, and in the courts. It means banding together to work for a better industry, a better economy, and a better state.

**Since 1974**, BAM represents you and your business at the State's Capitol, regulatory agencies and courts **because industry unity and doing business with members is good business®**. [\[BAM Membership\]](#)
